THINJUNCTION BILL
Special Rule to Be Reported
Giving Clayton Measure
Right of Way.

WASHINGTON, May 3.—The house
slow progress today on the legis-
lative bill, the reading of which was
under the five-minute rule. The
bill, which was introduced by Rep.
"Climax" consumed much time and
house again refused to cut down
allowance.
In the day the house appro-
ved additional money for the use
of members by voting to increase
from \$1500 to \$2000 the salaries of the
clerk hire. The amendment was
offered by Representative
and after a sharp debate was
passed by a vote of 53 to 48.
Representative Page of North Caro-
lina offered an amendment to reduce
allowance of members
from 50 cents a mile to 5 cents a mile.
The amendment was defeated.

Previous attempts for a num-
ber of years past, the amendment was
and the members will continue to
50 cents a mile traveling to and
from the capitol.
Representative Baker of California
offered a resolution for an investi-
gation by the foreign affairs com-
mittee of the report that Japan has
received a concession from Mexico on
the Isthmus of Panama.
The committee on the Isthmus of
Panama in Kentucky was urged by
the house committee on military
affairs by Dr. J. M. McCormick, health
commissioner of Kentucky, who said
the site was an ideal one for a
military installation.
The committee agreed to re-
spond to a special rule giving privilege
to the Clayton thinjunction
measures by labor unions. The
bill will be reported as soon as some
pressing appropriation bills are
passed.

Senator Reed of Missouri spoke
for three hours against the
bill. Senator Davis of Arkansas
spoke for two hours and declared
the bill was framed in the interests of
the roads and deprived railroad
workers of their rights. At 5 o'clock
the bill was read for amendment.

Wm. A. Allen, Chacon, New
Mexico, had so severe a cough that
he choked her to death. Mr. Allen
tried many things without
success. When by good luck I got
a box of Foley's Honey and Tar
Cough Syrup. It helped her at once and
cured her. It is the best medi-
cine ever used." Schramm-John-

in fair demand and supply. The sugar

account of wet weather. Very little
planting has been done in Idaho, but con-
ditions in Utah have been better and
about half the crop is in the ground.

**"BARNEY" F. O'NEILL
FIGHTS EXTRADITION**
VANCOUVER, B. C., May 2.—Bernard
F. O'Neill, late president of the defunct
State Bank of Commerce at Wallace,
Ida., will be extradited to Idaho to stand
trial on charges of signing false balance
sheets of the bank, of embezzling sums of
money from the bank and of accepting
deposits from customers at a time when
he knew the bank was insolvent. Jus-
tice Murphy of the supreme court today
affirmed the decision of the extradition
commissioner. Judge O'Neill is still
in custody. Today's judgment followed application
for a writ of habeas corpus and cer-
tiorari made by O'Neill's counsel, in
which he attacked the warrant and the
whole of the proceedings in the case. In a
number of technicalities. It is possible
by further technical objections to still
further delay extradition and another ap-
peal is expected.

RAILROAD TROUBLE
COMING IN CANADA

OTTAWA, Ont., May 3.—Railroad
travellers on international lines are
vitaly interested in an application
made to the labor department by Cana-
dian Northern employees, who protest
against American crews running trains
over the Great Northern to Winnipeg.
Their action is not approved at all by
travellers in eastern Canada, many of
whom carry trains to American di-
visional points. Retaliating is feared
and strong influences are being brought
to bear to prevent the issue of any
prohibitive order such as is sought.

Backache

Is only one of many symptoms which some women en-
dure through weakness or displacement of the womanly
organs. Mrs. Lizzie White of Memphis, Tenn., wrote
Dr. R. V. Pierce, as follows:

"At times I was hardly able to be on my feet. I
believe I had every pain and ache a woman
could have. Had a very bad case. Internal
organs were very much diseased and my back
was very weak. I suffered a great deal with
nervous headaches, in fact, I suffered all over.
This was my condition when I wrote to you for
advice. After taking your 'Favorite Prescription'
for about three months can say that my
health was never better."

Dr. Pierce's Favorite Prescription

Is a positive cure for weakness and disease of the feminine organism. It allays
inflammation, heals ulceration and soothes pain. Tones and builds up the nerves.
Do not permit a dishonest dealer to substitute for this medicine which has a
record of 40 years of cures. "No, thank you, I want what I ask for."
